To Whom It May Concern:

This smoking ban issue is another example of the government intruding into my life. Why does the government think that it has the right to do this to the citizens of the United States? It takes away my right for happiness.

I don't like anyone dictating to anyone else. We've had enough of Hitler. I think you should reconsider these harsh regulations, your trying to force on us!

Sincerely,

Arline A Backus

P.S. The worst thing I've done in 59 years is to get a parking ticket - why are you so willing to take away my privileges as if I were a criminal?
